Note: CPSA – Consumer Product Safety Act
FHSA – Federal Hazardous Substances Act
PPPA – Poison Prevention Packaging Act
RSA – Refrigerator Safety Act
FFA – Flammable Fabrics Act

Directions for completing the Laboratory and Vendor Certification Portions:

1. All vendors must complete the Vendor Certification portion (page 2 of this form) in full for every shipment. This must include vendor information, a physical signature, and the appropriate PO#.
2. If this GCC is being issued for Children's product, per the CPSC definition, the Laboratory Certification portion must also be completed by a CPSC accredited 3rd party Lab. This must include laboratory information and a physical signature from the testing laboratory.

**LABORATORY CERTIFICATE OF COMPLETION FOR
GENERAL CONFORMITY CERTIFICATE (GCC)**

*Please complete this certification if you are a testing laboratory.

<Date>

This laboratory hereby certifies to Target Corporation that:

- 1) We have evaluated the product sample provided, and have identified all of the federal regulations, bans and standards applicable to this product in the United States (collectively, the "Applicable Standards").
- 2) We have listed each and all of the Applicable Standards on the GCC.

- 3) We conducted each of the necessary tests to determine the compliance of the product sample provided with the Applicable Standards in accordance with our standard procedures.
- 4) Each sample provided complies with each and all of the Applicable Standards.

3rd party Certification received from: _____ (If applicable)

VENDOR CERTIFICATE OF COMPLETION FOR GENERAL CONFORMITY CERTIFICATE (GCC)

*Please complete this certification if you are a vendor.

11/9/10

This vendor hereby certifies to Target Corporation that:

- 1) We have evaluated the product and have identified all of the regulations, bans and standards applicable to this product in the United States (collectively, the "Applicable Standards").
- 2) All of the Applicable Standards are listed on the GCC.
- 3) If this GCC is being issued for children's product, the product tested by the Laboratory is materially identical to the product that this certificate accompanies.
- 4) If this GCC is being issued for non-children's product, we conducted, or caused to be conducted, each of the necessary tests to determine the compliance of the product provided with the Applicable Standards using a reasonable testing program.
- 5) The product complies with each and all of the Applicable Standards.
